Crown Versailles

The Crown Versailles is the most sumptuously luxurious pavilion in the Crown Collection. Measuring an impressive 8m in length by 5m wide, it offers the ultimate outdoor living experience.

At one end of the pavilion, deep sofas accommodate up to 15 guests surrounding a stylish coffee table while the huge dining table seats 10. Available in premium Redwood and Cedar.

“ Just to say, thank you, thank you and thank you for a great service. My pavilion looks fantastic in the garden, from the laying of the concrete and the building of the pavilion your staff were exceptional and very hard working. I would recommend your pavilions to anybody!
