Crown Windsor

Anyone who loves the Hampton but needs something slightly smaller will fall head-over-heels with the Crown Windsor. Inspired by the much-loved Hampton, it has a sofa seating arrangement to one side and a dining area to the other with a generous circular wooden dining table and 6 polywicker armchairs. Offering the ultimate in flexibility, its compact shape makes it easy to place in any style garden.

“ Thank you for an excellent service. We were impressed.
